

AQUATIC FACILITY OPERATOR COURSE

Become nationally certified as an AFO, receive 1.5 CEU's and a Certificate of Completion and Certification Card. Certification is valid for 5 years. This 18-hour course features the new Aquatic Facility Operator Manual, one of the most current publications available on pool operations. The manual undergoes revision every three years to keep current with changing technology. This text is not only understandable, but you will enjoy reading it as well. The text is sent to you in advance.

AQUATIC FACILITY OPERATOR CERTIFICATION COURSE

2 Day Course Offering:
(8:30 am—6:00 p.m. both days)
January 6&7, 2011 Austin, Tx

The Aquatic Facility Operator (AFO) Course is an 18-hour training program specifically designed to meet the needs of those working in public and semi-public recreational pool or water park facilities. The AFO program offers unique discussions on risk management not usually directed towards operational personnel as well as training in proper water chemistry, water chemistry challenges and solutions. Upon successful completion of the AFO course and a 50 question open book exam, participants will be officially certified by the National Certification Board of the National Recreation & Parks Association.

* Approved by the Health Department as an Operator Course.

Lodging, transportation information and text will be sent upon receipt of registration. Full payment by check must accompany registration form. Make checks payable to Anderson Mill Limited District or **register on-line at www.amld.org course number AFO Course - #35.11.** Once you are registered you will be required to pay and no Refunds will be given. If you are unable to attend you may send someone else in your place. If you have any questions, please contact Juliene Hefter, jhefter@safetyfirstaquatics.com or 262-894-9772.
